...competitive car hire rates, exclusively for you.

As you are one of **National Car Rental's** valued members, we would like to introduce you to our Affinity Leisure Programme, designed especially for you.

Our Affinity Leisure Programme enables you to benefit from great deals when renting vehicles in your own personal leisure time, whether it's for holidays abroad, short breaks away, special occasions or even when your car is off the road.

The Affinity Leisure Programme offers your members preferential rates on car and van hire in the UK and on international car hire in over 80 countries worldwide - including all the major holiday destinations. Members can also enjoy the luxury of the **Guy Salmon** fleet in the UK from a Mercedes to the power of a Porsche at surprisingly affordable prices.

To ensure you always benefit from great prices, we frequently price shop rates against the competition; the rates change regularly and therefore will not be published.
