

RICHMOND

THE AMERICAN INTERNATIONAL

UNIVERSITY

IN LONDON

The Student Affairs team is very excited to welcome you to Richmond, The American International University in London! We want to share a few useful pieces of information with you so that you can begin to think about your first semester here in London.

Orientation

First and foremost, New Student Orientation starts on Tuesday, August 28th, 2012. This is for all new students, whether you're living on or off of campus. We have put together an action-packed week of academic, practical and social events designed to introduce you to university life in London. Highlights of the week will include a formal welcome dinner for all new students with members of faculty, class registration and a boat party on the River Thames.

Residence Life

Moving to a new country or even city can be quite challenging, but the Residence Life team is here to help you make a smooth transition. As you may have noticed on the Orientation Schedule, there is a Residence Life meeting at 7:00pm on Tuesday, August 28th. Please make sure you attend this meeting if you are living on campus.

Student Life

There are many new and exciting things happening at Richmond this year! More co-curricular activities are being planned so that you will have the opportunity to learn just as much outside of the classroom as you will learn here on campus. Don't forget to regularly check the Campus Calendar located on the University portal to stay abreast of all activities and events that are planned just for you and your fellow students! In the meantime, mark your calendars for the Start of Term Party which will be held in late September at a well known central London club. As far as getting involved on campus, there are lots of student clubs and societies which serve a variety of interests here at Richmond. Don't miss the Freshers' Fair on Friday, September 7th from 2:00-4:00pm, where you will be able to learn more about what our current organizations have to offer. Have a look on the University website at the clubs and societies that are currently active on campus.

We hope that you have found this email to be helpful. Please enjoy the rest of your summer holiday and we look forward to welcoming you to Richmond on August 28th!

Best Wishes,

The Student Affairs Team
