

UPCOMING SPG EVENT

1st April

Ashok Kumar (Oxford University)

**"Workers against capital:
sweatshops, resistance and the
changing composition of Asia's
garment sector"**

How are garment workers changing the composition of capital? How will changes in China, India and Southeast Asia represent a new epoch in industrial capitalism? Ashok Kumar has conducted research on workers' struggles in Honduras, India, China, Cambodia and Sri Lanka and will attempt to address these and other questions.

Kensington Campus
Room 216, Asa Briggs
