

Section 1 - University Policy on Data Release

In accordance with the UK Data Protection Act 2003 (DPA) and The USA Family Educational Rights Privacy Act 1974 (FERPA), Richmond, The American International University in London (hereafter referred to as Richmond) is required to protect the personal data it holds about its applicants and registered students.

As a result of these Acts of Law, Richmond is required to obtain your written permission to disclose information to any third party from any part of your application with the exception of those institutions listed within the Acts. This means that response by Richmond to requests for information from parents, guardians, sponsors, teachers/guidance counsellors and any other institution or person not included in the Acts as exempt must be agreed by you in writing. This form allows you to give that permission in general.

I, _____ give Richmond permission to discuss any aspect of my application and enrolment with the following people:

| Name | Relation to you ie parent/teacher etc | Email address |
|------|--|---------------|
